

FAMILY CARE
NETWORK

Be the Difference

April 1st – May 1st

Our community is struggling with layoffs, lost wages, and growing mental health issues, resulting in many local families and youth becoming homeless or living in unsafe conditions.

Help meet THEIR urgent needs:

Housing & Transportation

Rent, utilities, gas, car repairs, DMV fees, driving lessons, car insurance, household appliances and furnishings

Foster Youth & Parent Support

Self-care activities for parents and physical outlets for youth to combat isolation and depression, minor home and car repairs to ensure safety, and self-soothing tools to aid coping and healing

Education & Distance Learning

Laptops, tablets, wifi, class and exam fees, vocational training materials, textbooks, printers & ink, paper

Mental Health Support

Wellness and therapeutic activities, access to remote therapy and support (smartphones, tablets, wifi), self-soothing tools for healing (headphones, music and meditation subscription)
